

# NASCA & NWC Conservation Conference

Lied Lodge, Nebraska City, NE

**Make plans to attend the National Watershed Coalition (NWC) and National Association of State Conservation Agencies (NASCA) Watershed and Conservation Conference.**

**Location:** Lied Conference Center, Nebraska City, Nebraska

**Date:** September 25-28, 2017

**Conference details, registration forms, travel information and exhibitor's registration forms are available at: [www.conservationconference.com](http://www.conservationconference.com)**

**Join conservation and watershed leaders for discussion and presentations on five key areas.**

- **Developing a new Farm Bill that will expand Watershed Services and provide greater flexibility at the State level**
- **Planning conservation strategies to mitigate the impacts of extreme weather events**
- **Exploring the potential and identifying consequences of non-traditional partnerships**
- **Finance alternatives for aging Watershed Program infrastructure**
- **Demonstrating the impact of conservation practices on public infrastructure**
